Description

L'Université de Montréal procède à un appel d'offres dans le but de retenir les services d'un entrepreneur général pour les travaux de remplacement de la tour de refroidissement #2 du Pavillon André-Aisenstadt. Les travaux incluront aussi : le remplacement de la pompe de cette tour (P-09), l'installation d'un nouveau système de filtration à microsable, le remplacement de tuyaux et valves, le remplacement du volet d'admission d'air de la tour, le remplacement du conduit et de la grille d'évacuation d'air de la tour et les travaux d'électricité et de régulation requis. Pour plus de détails, veuillez-vous référer aux plans et devis joints aux documents de demande de soumissions.

Calendrier des travaux

L'Entrepreneur s'engage à prendre toutes les mesures nécessaires afin de respecter l'échéancier prévu pour débiter les travaux le ou vers le **2022-09-15** permettant l'émission du Certificat d'acceptation définitive au plus tard le : **2022-12-19**.
